

Maryann Kelly, Intuitive Services LLC

Maryann Kelly, B.S., R.T.R, Reiki, is a Holistic Health Intuitive and Spiritual Medium. Maryann integrates her decades of clinical and corporate experience with complementary holistic approaches to help people integrate *mind, body, spirit* and move through challenges in their lives by connecting to deeper answers.

As a **Holistic Health Intuitive**, Maryann helps clients explore and uncover *vibrational energy patterns* that may be causing health challenges. Similarly, by reading *vibrational energy connections* as a **Spirit Medium**, she can help open communication with spirits of those passed over. Her passion is helping people:

- Validate their instincts
- Helping set better priorities and boundaries
- Honor your own conscience in a conscious way
- Finding health alternatives and apply answers confidently

Maryann has received additional intensive training with local and national energy medicine & spirit medium professionals. She is currently in Dr. Norm Shealy's Medical Intuition & Donna Eden Energy Medicine Programs.
